

Powder Basin Equestrian Association Eventing & Dressage Clinic

JUNE 13 - 14, 2020

Opening Date: May 9, 2020 Closing Date: June 7, 2020

PBEA Equestrian Park

Gillette, Wyoming

John Michael Durr is returning as our XC designer. PBEA will have an updated Preliminary track with a few new fences. Intro through Training will run the 2019 tracks. Water will be in at least one water feature for schooling.

On the heels of the redesign, PBEA will host a clinic featuring both JM Durr and Barbara Burnett.

The clinic will offer Private Dressage, Group Showjumping and Cross Country Lessons.

Mix and match and participate even if you are a non-jumping rider.

We believe both clinicians will provide you with a great learning opportunity.

*JM is an accomplished 3 day eventer and Certified Eventing Instructor thru Level IV (able to coach thru Advanced, CIC***, CCI***). He has also been very successful in the showjumping world, competing through the Grand Prix level.*

Barbara is a USDF bronze and silver medalist with 30 years of experience in the U.S. and Europe She offers rare guidance to professionals as well as beginners. While achieving national recognition in eventing early in her career, Barbara has always maintained her life-long passion for dressage.

ALL LEVELS WELCOME! AUDIT FOR FREE (Donation at meals appreciated)!

Saturday Lunch and light Sunday breakfast provided for participants.

Saturday Night – Wine & Cheese Social Distancing (bring your favorites)

IF YOU ARE UNABLE TO RIDE, A DONATION WOULD BE MOST WELCOME TO HELP SUPPORT THE UPDATE OF THE XC AND REFRESH OF THE STADIUM JUMPS SO THE CLUB CAN CONTINUE TO PROVIDE A CHALLENGING AND SAFE EXPERIENCE FOR ALL RIDERS COMING TO THE PBEA FACILITY.

Clinic Pricing
