## Testimonials:

“Maddy is awesome! She's a great instructor and my young horse and I have improved leaps and bounds (I think at least 🍀!) since we started taking lessons with her. She is able to come to my house and is super flexible time wise! I highly recommend her to anyone wanting to improve their riding, learn to jump or who just needs some help with a young horse!! - Cara Platt “

“Maddy is exceptional. Great instructor with great basics, will give you a great foundation for your riding, whatever your discipline. We really miss having her here in Texas!! -Ellen Doughty-Hume 4\* rider”

“My daughter Betty Ann has been taking lessons from Maddy for a few years. Maddy has helped gain confidence in jumping which has carried over to many aspects of life. Betty Ann has been successful County Fair winning All Around Horse 2 years in a row. Maddy not only teaches how to ride but responsible horsemanship. I highly recommend her to anyone wanting to improve their riding. -Marti Shaeffer”

“For all of you living in the Sheridan and Gillette Wyoming area....I have to tell you how lucky you are to have Maddy Claire Gilbert to lesson with! I recently considered moving to Gillette and a big concern was who I would lesson with. I was worried that I would have no support when I purchased my next mount! (My current mare is 18).

While I was in Aiken SC for a week this past winter I was lucky enough to ride with Maddy twice. Both lessons were awesome! She figured out both me and my mare's needs and helped us to work out some things (mostly me!). She also gave me great feedback as to things to work on!

Unfortunately the job opportunity fell through so I will not be moving but I am excited to have a wonderful trainer to work with over the winter in Aiken!

In short I highly recommend Maddy! Thanks for the help in Aiken!!! BTW...I am currently looking for a new mare! -Sandy Rybacki”
